LEGACY HOCKEY BOOSTER CLUB

MISSION STATEMENT

Legacy Hockey Boosters is organized and operated for charitable and educational purposes to promote and foster the continued development of a positive hockey program at Legacy High School in Bismarck, ND. We encourage and support the development of Legacy High School student athletes with hockey skills in a manner which promotes respect for others, self-confidence, leadership, and teamwork.

WHAT IS THE PURPOSE OF A BOOSTER CLUB?

The Legacy Hockey Boosters are a non-profit organization run by the parents and supporters of Legacy High School Hockey with the involvement of the Head Coaches, Wade Davison and Ryan Faragher

The Legacy Hockey Boosters support hockey related activities at Legacy High School, by means of fundraising, business sponsorships, pledges, in-kind donations, and by providing Volunteer Services.

Your support helps the Booster Club continue to build our sports program by:

- Purchase of uniforms
- Training equipment
- Bus drivers and buses
- Food for the team during travel
- Coaches' salaries not paid for by Bismarck Public Schools
- Off-season ice rental
- Scholarships for students who are unable to pay the registration fees and camp fees
- Software for training purposes (film, Hudl etc.)
- Additional equipment for student athletes
- Overnight travel expenses during the season

Your support shows these young people how important community involvement is to the hockey program. Without your sponsorship, these young people would not have the advantages they do.
